

Carving Registration Procedure

1. Enter your personal information on the provided NAWA Combined Competition Entry Form.
2. Refer to the provided category list, to determine the correct category for each carving.
3. Enter the data for the all carvings to be judged in blocks provided on NAWA Combined Competition Entry Form.
4. Complete a NAWA Individual Carving Entry Form for each carving.
5. As each category is called over the PA system bring all carvings for that category and a completed NAWA Individual Carving Entry Form with each carving for that category to the registration table.
6. A carving number will be assigned for each carving as it is entered and taped to the bottom of the carving. The carving will then be moved to the judging area.
7. At any point in the process bring the completed (enter all data for all carvings) NAWA Combined Competition Entry Form to the treasurer with \$5 for each carving being entered. The total due will be entered at the lower right corner of this form.
